

Frank Vendemia - Scholarship Committee Report
51st Annual Meeting
Builders Association of E. OH & W. PA
Wednesday, December 2, 2020 4:00 pm
The Lake Club

Since 1971 the Builders Association has awarded \$197,210 in scholarships to deserving students enrolled in construction related programs at Youngstown State University and Penn State – Shenango Campus. The Penn State – Shenango Campus has since terminated their program so scholarships are now being offered only at Youngstown State University.

The Scholarship Committee awarded a total of five individual scholarships this year. The scholarships were awarded to KeShawn Jones, D'Angelo Rayford, Jonah Hrabowy, Jordan Cravener and Michael Moreland.

The Association has budgeted \$8,000 to be awarded in scholarships in 2021. The Committee and I look forward to awarding additional scholarships next year to deserving young men and women in the Civil and Construction Engineering Technology Program at Y.S.U.

I would like to thank the other committee members; Joe DeSalvo, Bob Donatelli and Tony Hufford for their time spent reviewing the applications and making the selections.

As I conclude my report, I would like to introduce the scholarship recipients and the representatives of Youngstown State University and the YSU Foundation that were able to attend today's Annual Meeting. As I call your name, please stand in order to be recognized.

1. YSU Foundation President, Paul McFadden
2. Foundation Scholarship Coordinator, Tiffanie Thomas
3. Director, School of Engineering Technology, Carol Lamb
4. Scholarship recipients:

KeShawn Jones

D'Angelo Rayford

Jonah Hrabowy

Michael Moreland

Recipient Jordan Cravener was unable to attend.

D'Angelo Rayford, Johnah Hrabowy, KeShawn Jones, Michael Moreland and Jordan Cravener
